STATINTL

Dear Paul,

Thank you for your letter of 18 August. It was good to hear from you. Your name comes up around here not infrequently. Your many friends and former patients remember you well, ask about your present status, and reminisce about old times. Your progress report will come in handy.

As per your request, your letter will be located properly so that any future review will include your written expression of continuing interest.

I hope when you come to Washington that you will be able to visit our office. If you could drop a note shortly before the due date, we could share a lunch out here at the building. Look forward to seeing you and many thanks for your continuing interest.

Sincerely,

SIGNED

JOHN R. TIETJEN M.D.
